Auckland based choir leader and instrumentalist, Max Maxwell, brings his passion for music to many pursuits: His Uke N Sing group is in its 5th year and he has workshopped and worked with uke groups throughout NZ. His passion lies in bringing people together to create harmony, rhythm and community through music.

"It was one of the best workshop days I have been to. Max is a wonderful teacher and had the whole uke group singing and playing together in harmony, after a very short time. He has boundless energy and enthusiasm, is very friendly, inclusive and he doesn't pitch it above your head. However there was opportunity for extension for those who needed it. Notes and song sheets with computer links were most helpful. He had people doing things they may never have imagined they would be able to do" Christine Donehue, Katikati
